## CALL FOR PAPERS: INTERNATIONAL TECHNICAL CONFERENCE 2022

The Global Power and Propulsion Society has issued a Call for Papers for its 2022 International Technical Conference, to be held in Chania, Crete, Greece on the 12th-14th September, 2022.

### Abstract Submission

Authors should submit an abstract with a word limit higher than 100 words but less than 200 words through the [GPPS webtool](#). Abstracts should be inserted directly into the submission form, no template is required for abstract submission.

Final acceptance of papers will be determined by peer review of the draft manuscripts and approval of final papers by the Review Chair. If warranted by review, papers may also be recommended for publication in the [GPPS journal](#).

One author for each paper published in the conference must attend to present live in Crete, Greece. A registration fee is required.

All presented papers will be published after the conference, with selected papers published in the [GPPS journal](#) after the event.
