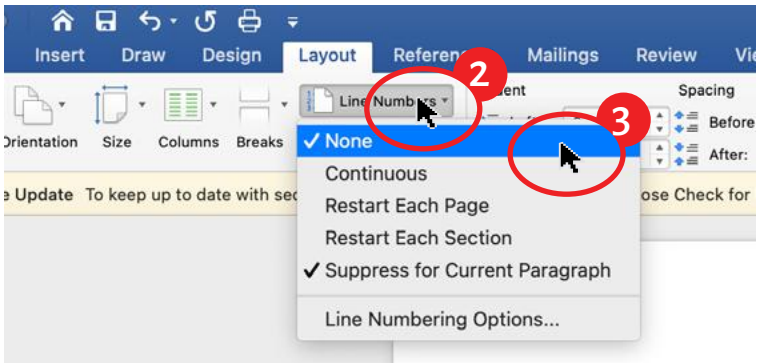
Preparation of Final Paper

Removing Line Numbers

Upon receiving your paper acceptance notification for the Shanghai25 conference, please proceed to submit the finalized 'clean' version. This version, unless otherwise specified, will be featured in the event proceedings and should be devoid of any review comments or highlights. Prior to PDF export, kindly ensure the removal of page numbers from the left side.

You can remove line numbers from the entire document using this method:

For authors using the MS Word template:



1/ Open your final paper and select ALL.

2/ On the Layout tab, in the Page Setup group, click **Line Numbers**.

3/ To remove line numbers from the entire document, click **None** in the dropdown menu.

For authors using the LaTex template:

Remove the text '\linenumbers' as shown below.

```
\section*{ABSTRACT}
\linenumbers
This template is designed to assist authors in producing a document consistent with the requirements of the GPPS.
%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%%
```

Once the line numbers and review notes have been removed please export your paper to PDF and upload using the same process as 'Uploading your Rivised Paper' on the previous page.
